Dear Paula,

Thank you to the entire team at Gatherings at Wellington for your support and generous donation of \$1010.00.

We are so grateful for your support of National Breast Cancer Foundation, Inc. Your gift provides help and inspires hope to those affected by breast cancer through critical early detection screening, breast health education, and support services focused on our mission of Helping Women Now®. One woman dies from breast cancer every 13 minutes and we are grateful that you share our belief that no one should face breast cancer alone.

From all of us at NBCF, thank you. Thank you for your generosity and for helping women at every step of the breast cancer journey.
